How many zeros in a billion?

A billion is a difficult number to comprehend, but one advertising agency did a good job of putting that figure into some perspective in one of it's releases.

- A. A billion seconds ago it was 1959.
- B. A billion minutes ago Jesus was alive.
- C. A billion hours ago our ancestors were living in the Stone Age.
- D. A billion days ago no-one walked on the earth.
- E. A billion dollars ago was only 8 hours and 20 minutes.
